

Welcome!

We are extremely pleased to present our new 2024 holiday brochure, and would like to thank our many loyal and regular customers for your continued support of our independent, second-generation family-run company. I would also like to give a warm welcome to all the new customers who are joining us for the first time.

The beauty of joining a Woods Travel tour is that we collect you from your front door and return you home again at the end of your holiday. All travel is taken care of, so you just need to book your favourite holiday and let our dedicated team take care of the rest. We stay in carefully chosen quality hotels and the creative team, in conjunction with our drivers, take pride in designing your tour to include interesting, historic and scenic visits to make you want to return again and again.

This brochure is packed with a wide choice of destinations in the UK and further afield, and we are happy to include collaborations with our trusted partners at Warner Leisure, National Trust, CroisiEurope and A-ROSA river cruises. For longer holidays with breathtaking scenery, we visit the glorious mountains of Northern Spain and the Austrian Tyrol; and explore the Lake Districts of England, Italy and Ireland. Due to high demand we have added an extra Jersey departure in July, and we are working on another tour to see André Rieu, this time in his home town of Maastricht.

We continue our fundraising efforts on behalf of the excellent St Wilfrid's Hospice, with our raffles, collections and, of course, the sponsorship from our climb over the O2 Arena in May this year, we have raised a total of £3500 so far! There will be raffles aboard all of our Christmas coaches, and please keep an eye on social media for other events we have in the pipeline.

We hope that you find plenty within this brochure to tempt you. From the directors, office staff and drivers – we are so happy to be here to make your holiday dreams a reality, and can't wait to see you travelling with us again in 2024!

Experience & Expertise

Woods have over 50 years' experience in the travel industry, and have grown into an award-winning company, known for the quality of our holidays and our dedication to customer service. Still family run, Woods are large enough to offer the benefits that you need, such as door to door service and a wide variety of destinations, but small enough to care about the holiday experience of each individual valued customer.

Door to Door Service

We are proud to have pioneered the concept of door to door service. This couldn't be easier. A taxi will call to pick you up from your front door and deliver you to our luxury coach. Your luggage is then transferred to the coach by the driver. On arrival at your destination, while you settle into your comfortable en-suite room, your suitcase is delivered to your door. On your return, a taxi will meet the coach and transfer you and your luggage back home.

Financial Security

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from all rights applying to packages; Woods Travel will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, Woods Travel have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that they become insolvent. Woods Travel are members of the Bonded Coach Holiday Group, overseen by The Association of Bonded Travel Organisers Trust Limited. This is a government approved consumer protection scheme. This ensures that in relation to the coach package holidays described in this brochure (or website) that a Bond, which may be called upon in the unlikely event of the members Insolvency, protects the clients' monies. Clients are recommended to inspect the current membership certificate at our registered office or alternatively go to www.abtot.com/bch-abtot-members-directory or telephone 0207 065 5316 to confirm current membership.

Most of the flights and flight-inclusive holidays in this brochure are financially protected by the ATOL scheme (ATOL 9503). But ATOL protection does not apply to all holiday and travel services listed in this brochure. This brochure shows you the protection that applies in the case of each holiday and travel service provided, before you make your booking. If you do not receive an ATOL Certificate, then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. For more information about financial protection and the ATOL Certificate go to: www.caa.co.uk

Details of the Package Travel and Linked Travel Arrangements Regulations 2018 can be found at legislation.gov.uk. Your attention is also drawn to the BCH ABTOT Trading Charter on page 84.
