

Welcome to the Woods 2010 Summer Brochure

It is with great pleasure that we introduce our new 2010 brochure, which is full of all that you have come to expect from Woods. For those of you who have not travelled with us before, this means door to door service, quality hotels, luxury coaches and well thought out itineraries with most entrance fees included in the holiday price. For 2010 we are featuring a number of new hotels and destinations as well as returning to many old favourites. We have included a good selection of European tours both by air and by coach, and return once again to Norway with our popular Singles Tour and also a new itinerary which travels by sea via Esbjerg.

We hope that you enjoy browsing through the many tours on offer, and if you require any further information, do not hesitate to call one of our experienced travel consultants. Bookings can be made directly over the telephone or with one of our many local travel agents, and all of our holidays are fully bonded for your total financial security.

Why Choose Woods?

Woods Travel has been established for over 37 years, privately owned and starting with just 2 taxis. We listened to the views of our customers and bought our first coach in 1978. The tour programme started with just 5 tours and has grown by popular demand into the brochure you see today.

We pride ourselves on the high standards that we set not only in the appearance of our brochure, but with the attention to detail in our tours, the professionalism of our sales team and the caring nature of our tour escorts and highly skilled drivers.

Financial Security

We are pleased to advise you that Woods Travel Ltd is fully bonded through the Confederation of Passenger Transport's Holiday Bonding Scheme. This bond is covered by Barclays Bank Plc. Bonding became compulsory in 1992, however for your financial security we have been voluntarily bonded since 1988. The air holiday packages in this brochure are ATOL protected by the Civil Aviation Authority. Our ATOL number is ATOL 3631. They are also protected by our membership of the Association of British Travel Agents. Our ABTA numbers are D0685 & V8552. Please see our booking conditions for more information.
